

The 13th Demo Trading Contest

4th place — Algiment Rekus

We congratulate you on the 4th place in the 13th Demo Trading Contest and would like to ask you the following questions:

Please tell us a bit about yourself.

I am 20 years old and I come from Punszk (Poland). At present I live in Kaunas as I study at Vitautas Magnus University of Kaunas.

How long have you been trading Forex?

I have always been interested in Internet trading and Forex gives me a self-test opportunity. I have started trading Forex recently, about one month ago.

How did you find out about the contest run by the Company Real Trade? Did you expect the victory?

I have been learned about Forex and the contest from my friend who studies economics at University of Kaunas. He taught me the basics of Forex. I really did not expect to win, I just wanted to see the way it works.

What is your trading during the contest based on?

My trading is based on a technical analysis.

What strategy do you prefer – a long-term or a short-term? Why?

I use both a short-term and a long-term strategy, it depends on the situation.

What currency pair do you prefer to work with? Why?

I prefer trading EURUSD, it is easier for me to forecast its movement and analyse it.

**What kind of means or methods do you use in order to gain knowledge about Forex market?
What would you like to advise beginners?**

Internet and university lectures.

Thank you for answering our questions and good luck in your trading!
