

## **The 16th Demo Trading Contest**

**5th place — Reny Faqy Hany**

**We congratulate you on the 5th place in the 16<sup>th</sup> Demo Trading Contest and would like to ask you the following questions:**

**Please tell us a bit about yourself.**

I'm 22 years old, live in Magelang, the city of Indonesia. Currently I'm studying at a college and I have some education in money investment.

**How long have you been trading Forex?**

I'm still new in Forex trading and I have less than 1 year experience.

**It's your second victory in our contest. Why did you decide to participate once again?**

My friend told me about this contest and I decided to try my luck to win this competition.

**What was your trading during the contest based on this time? Did you implement something new in your trading strategy?**

I used to trade using basic technical analysis without any expert advisor and I like intraday trading because it fits to my trading strategy.

**What currency pair do you prefer to work with? Why?**

GBP/USD and GBP/JPY are my favorites because of their risk; the higher risk gives higher return.

**Thank you for answering our questions and good luck in your trading!**
